YWCA of Central Virginia provides a safe, child-friendly environment where children can visit their non-custodial parents or grandparents. Located on the bus line at the Town Center, the Center serves children in Central Virginia who need a secure

location for supervised visitations. The goal of the center is to keep children and parents connected. The Center serves families going through separation, divorce, custody battles, neglect cases, and abuse cases.

All families must attend an orientation before visits can be scheduled. Visitations are to be scheduled in advance by contacting the Visitation Center Coordinator at the YWCA. Visits are held on weekends and throughout the week by appointment and cost \$25 per hour.
