Adult day care provides supervised activities in a community center or other location for older adults and/or adults with disabilities who cannot remain alone at home during the day. Adult day facilities are licensed by the Virginia Department of Social Services. Adult day care centers are an option to consider when reviewing long-term care needs. The attending adult can participate in activities and socialize with others in a safe, secure setting designed to help maintain or improve their function level.

Callers will be referred to their local Area Agency on Aging for information about adult day care programs in their community. Visitors can also visit <u>Virginia Easy</u> <u>Access</u> website for information.

Adult Day Care program provides supervised activities in a community center or other location for older persons who cannot remain alone at home during the day.
