We are seeking individuals in a volunteer capacity to add and update information in the VirginiaNavigator family of websites database.

This position is ideal for a detailed and results-oriented individual who enjoys varied tasks, using the computer and telephone contact. Responsibilities would include:

- Entering information on new service providers and updating information on existing providers using surveys, phone or email contacts, and third-party resources.
- Reviewing information added or changed by service providers and editing according to style guidelines for grammar and spelling accuracy.
- Contacting service providers by phone, email, or postal mail to add or update information in the database.

Volunteers interested in the Data Specialist position should have:

- Strong oral and written language skills and editing ability
- Excellent customer service skills - especially phone communications
- Knowledge of health and human services programs and language is helpful, but not necessary
- Intermediate level skills with Microsoft Office products - especially Excel and Word

Flexible hours and training provided. If you meet these requirements and are interested in the position, please contact Kim Tarantino at [866-393-0957](tel:866-393-0957) or [kim@virginiannavigator.org](mailto:kim@virginiannavigator.org).
