Hope House of Scott County offers a 24-hour toll-free hotline (1-888-250-4325) to provide access to information regarding program services to victims and those directly affected by domestic and sexual violence. Callers receive non-judgmental responses, information on domestic violence and sexual violence, intake procedures, information on safety, and appropriate referrals.

Crisis Intervention: Hope House provides assessment and responds to the immediate crisis and safety needs of victims and their family members.

Advocacy services are provided for survivors of domestic violence and sexual assault.

Limited transportation can be provided.

The National Domestic Violence Hotline is 800-799-7233
