Angel Ride specializes in senior assisted transportation and companionship to your scheduled appointments. Companion drivers ("angels") assist our clients every step of the way. Clients typically have the same driver each trip.

Companions go out of our way to understand your specific needs and assist you or your loved one during every step of the outing. This assistance could include help inside the home to prepare for the outing such as putting on shoes or a coat, a reminder to bring along insurance cards, securing pets, and locking doors, offering a steady arm to hold onto, opening doors, fastening seatbelts, and carrying bags. Escort and assistance from the car to the final destination is also provided.

Mobility devices (walkers, canes, rollators) are welcome. Folding wheelchairs are accommodated, provided a client can safely and independently transfer. Upon request, transfer wheelchairs are available when the distance to your appointment is too far to walk.
