Event Cost

\$0.00

Event Description

Estate Planning 101 offered by Henrico County Public Library and Cancer LINC.

Thursday March 22, 2018 and Wednesday, April 25, 2018 from 6-7:30pm at

Tuckahoe Library. Estate planning, even on a basic level, requires careful consideration and forethought. There are three fundamental documents that need to be executed during a person's life to ensure that their wishes are fulfilled after life and that they receive the kind of healthcare they want if they are ever incapacitated; those documents are a Will, Power of Attorney and Advanced Medical Directive. As space is limited, please register in advance by calling 804-501-1910 or email to [tuckahoeevents@henrico.lib.va.us](mailto:tuckahoeevents@henrico.lib.va.us)
