Event Description

Resource Fair on Saturday, March 24, 2018, in gymnasium at Colonial Heights High School from 10am until 1pm.

This is a great opportunity for students, parents, teachers, and the general public to learn more about the adult services offered in the Richmond and Tri-Cities area, as well as resources they can access for assistance in the community, at the postsecondary, or the world of work. Vendors will bring material to share and lunch will be provided.
