INF Care provides an effective and safe alternative to home care with the Virtual Concierge Service for older adults. We offer daily check-ins, daily medication reminders, encouragement to a healthy lifestyle, activities to keep the mind sharp, and a way to keep track of progress.

We bring the very best of customer service with secure technology designed for those seniors not familiar with technology to offer an option to home care for families that want regular contact with their loved ones. This new alternative to home care service is available in Arlington County and Fairfax County.
