Virginia Department of Health offers facts and data about types of cancer. For information about the Cancer Control and Prevention Program, please contact Christina Bnton at 804-864-7720 or email at christina.benton@vdh.virginia.gov.

The website provides information on the status of cancer in Virginia and recommendations for preventing cancer as well as for detecting cancer in the early stages. The website gives screening guidelines recommended. Types of cancer covered: breast, cervical, colorectal, and prostate.

For information about Cancer Registry, call Laurel Gray, CTR at (804) 864-7860.
