Community Sitters can provide a referral for personal care sitters and nurses' aides for individuals in their homes, hospitals, and nursing homes to give personal, individual attention. Community Sitters offer in-home assistance such as light housekeeping, preparing meals, running errands, grocery shopping, laundry, as well as assistance with activities of daily living (bathing, dressing, hygiene). Other services can include medication reminder and provide transportation to social events, doctors, etc.

Companion services are also available.
