Gloucester Mathews Care Clinic (GMCC) provides low-cost dental services to lower-income, uninsured residents of Gloucester and Mathews Counties. In order to receive dental care, you must be a patient of GMCC. Patients are pre-screened and earn less than 200% of the Federal Poverty Level and patients must not have any insurance including Medicare, Medicaid, Private, or Veterans.

The mission is to provide community-based healthcare for residents of Gloucester and Mathews counties who lack health insurance or enough income to pay for it.

Preventative oral health care and restorative treatment are offered.
