The Sexual Assault Resource Agency (SARA) is committed to serving the needs of women, children, and men who have survived sexual assault. Our mission is to create an environment in which sexual violence is no longer tolerated.

SARA offers free and confidential short term counseling for women, men and children of all ages who have been affected by sexual abuse. Counseling provides a safe, supportive place for survivors to talk. It is a time for survivors to share their feelings and thoughts about the assault or abuse and how it impacts their lives. As a team, the counselor and client work together to make sense out of what is happening and to find ways to help the client create change. Please contact the SARA office at 434-295-7273 for more information about counseling.
