At the Health care Nursing Center Birmingham Green provides intermediate and skilled nursing care. Capacity is 180 beds (including 150 skilled beds). Services include personal care (assistance with dressing, bathing and personal hygiene); medical care (medications administered by licensed professionals); physical, occupational and speech therapies; and activities (crafts, exercise, movies, games, etc).

One of our units/neighborhoods is set up to care primarily for cognitively impaired residents and includes a secure, monitored courtyard so residents may safely enjoy the outdoors.

All beds are certified by Medicare and Medicaid, meaning skilled services is available for short stay patients as well as long term services.
