Bradley Free clinic has volunteer dentists to provide free emergency extractions and restorative care to eligible patients.

The Clinic provides oral screenings, x-rays, extractions, restorative care, and cleanings. Generally, there are 60-90 calls per week from patients needing dental treatment. Because of this high volume, only the most urgent needs can be handled.

By appointment only. Call for day and time. The Clinic is staffed by volunteer professionals. The Clinic is intended to help those who are making a sincere effort to help themselves and their families.
