Lisa's House is our emergency shelter for victims of domestic violence and their children. Staff is available to help individual clients connect with local community resources, and can assist with their needs in arranging childcare, transportation, as well as seeking employment and permanent housing. Support, advocacy, and counseling is available for adults and children residing in the shelter.

Provides up to 30 days of shelter in a home-like environment to individuals who are not safe in their own homes. Residents work with staff to move beyond the crisis into violence-free, productive and independent lives.
