The Courtyards Senior Living, Lakeview, offers two buildings for individuals with dementia and Alzheimer's disease. Buildings are side by side; one building can accommodate higher-functioning elders. Both buildings offer secured memory care to safely take care of those who wander. Staff has specialized training to care for the elderly with behavioral disturbances. Facilities that are small, home-like, and intimate, offer more personalized care. All administrators are Eden Certified Associates. The capacity is 83 residents.

The facility is located conveniently on the Bristol Highway. LPNs are on site 12 hours a day; caregivers 24hrs. 3 meals a day, transportation to appointments, activities, and trips are provided. Pets are welcome.
