All About Care offers occupational therapy services that are provided to clients in their residence on a part-time, intermittent visiting basis by a qualified Home Health Professional.

Services are provided to individuals with a multitude of diagnoses and conditions. Our caregivers and nurses are trained to help your loved one with their specific diagnoses or condition.

Services are available in the Greater Richmond, Tri-Cities, Emporia, Farmville and surrounding areas. we are always expanding our service area so call All About Care to see if we service your area.

If you happen to have a problem, concern, question or just want us to tell you about our services, call the office, send an email, send a letter, stop by the office or go to the website and complete the evaluation form.
