ResCare Home Care provides necessary personal care in the homes of the client when recovering from illness, injury, or surgery, living with a chronic disability, or dealing with the natural process of aging. Provides assistance with activities of daily living, including bathing, dressing, meal times, grooming and personal hygiene, toileting and incontinence management, transfer, ambulation support and total care for the bedridden, plus many other services in the home, the hospital, long-term care facilities, and other places of residence. Services may include meal planning and preparation, light housekeeping, errands or pet care. Overnight care can be provided with choice of awake staff or asleep, on-call staff. Transportation can be provided to medical appointments, for errands, shopping or other treatment visits.
