Augusta Nursing and Rehabilitation Center offers an 18-bed, secure Dementia unit with spacious living room and enclosed courtyard that allows freedom of movement while promoting the safety of residents. Alzheimer's and Dementia Services include:

- Personalized care and attention by caregivers with specialized training in the needs of patients with dementia
- Understanding the patient's past, including prior interests, hobbies, belief systems and family dynamics
- Activities that provide a multi-sensory experience for each resident
- Exercise and outings, based on each resident's interests and abilities
- Group activities and one-on-one interaction
- Help with personal hygiene and grooming
- Showering and bathing
- Assistance with eating and nutritional management
- Continence management
- Mobility
- Medication management
