Commonwealth Dentistry in the Richmond office provides general dental services. Pediatric dentistry is available on Tuesdays and Thursdays. The professional and quality services provided include Bonding, Veneers, Fillings, root canals, oral surgery, implants, Crowns, Bridges, Dentures, Partials, and Whitening such as ZOOM! LASER dentistry is available. Most fillings can be done without anesthesia.

Patients under the age of 18 must be accompanied by a parent or guardian. If you have a medical condition that may be of concern, please let the office know prior to treatment. In other words, if you have diabetes, high blood pressure, artificial heart valves, rheumatic fever, or if you are currently taking any medication such as heart medications, aspirin, anticoagulant therapy, medications for osteoporosis, and similar medications.
