The Parkinson's Support Group helps those newly diagnosed with Parkinson's disease as well as patients and families who have been managing the disease for many years. You can experience new coping strategies related to medications, diet and exercise and learn about the latest in research and treatment.

The Peninsula Parkinson's Support Group offers an an opportunity to share your story, with all its achievements, challenges, hopes and frustrations. You can experience new coping strategies related to medications, diet and exercise and learn about the latest in research and treatment.

The group meets on the Fourth Wednesday of each month at 5:30 m at Neurosciences Conference Room, Riverside Medical Office Building, 12200 Warwick Blvd., Newport News, Virginia. You may call 757-875-7880 or 757-534-5220 (Sandy Snapp) for more information.
