Peninsula Center Institute, a division of Riverside Regional Medical Center, is a full-service cancer treatment network dedicated to healing and specializing in state-of-the-art cancer treatment. Cancer care specialists include physicians who are board certified in Hematology, Medical Oncology, and Palliative Medicine; Oncology Certified Registered Nurses; a Certified Family Nurse Practitioner; and a Clinical Research team that provides our patients with access to the latest clinical trials.

Treatment team also includes full-time integrative medicine specialists, patient education, nutritional counseling, massage therapy, pet therapy and family services with direct connections to home health care, social services and hospice care.
