English

The Fauquier Free Clinic serves low-income, uninsured residents of both Fauquier and Rappahannock counties. Patients who have health insurance, including Medicaid or Medicare, but do NOT have dental insurance, can be seen at this free clinic.

The Dental Clinic provides emergency and preventive care including comprehensive exams, fillings, extractions, X-rays, and cleanings. Oral surgery and assistance in obtaining dentures are offered on a limited basis. If you have any questions please call 540-347-0394 and press 2 to reach the Dental Clinic.

If you cannot get to a dentist, sometimes a doctor can help you by treating an infection or advising you about pain management.
