Certified nurse aides and home care aides provide assistance with activities of daily living such as bathing, dressing, eating, and toileting. Aides can also assist with nail care, teeth, and mouth care, transferring, and assisting with meals. Please call for additional information.

LOA Area Agency on Aging helps persons over age 60 remain as independent as possible for as long as possible. Contact the office to let us know your needs. If you need more than a referral to another agency, a case manager will be assigned and complete an "assessment".
