Griswold specializes in providing Live In care to families throughout Northern Virginia with well-screened, experienced and professional caregivers at some of the most

affordable rates in our area. Our office will work diligently to exceed your expectations and help you or your loved one stay safely and comfortably at home..

Each of our licensed, bonded and insured caregivers must pass an extensive interview process, including a national background check, before they are hired.

Our CarePairing system ensures a good match between your loved one and a caregiver with appropriately matched skills and abilities.

Live in caregivers can provide assistance with activities of daily living (bathing, dressing, grooming, hygiene, feeding), oral/mouth care, skin care, reposition bed-bound clients to help prevent skin breakdown, assist with range of motion and more.

Please call the office regarding you specific needs.
