The Virginia Breast Cancer Foundation offers a Speakers Bureau Program, Stay Abreast, as an important, free tool for educating Virginians on the facts, issues and truth about breast cancer. Stay Abreast features a trained volunteer sharing:

- Speaker's personal story about how they have been affected by breast cancer
- Basic facts about breast health and anatomy
- Statistics related to breast cancer
- Risk factors for breast cancer
- Detection methods for finding breast cancer
- How every Virginian can be an advocate for their health
- Ways individuals can help influence state and national legislation concerning breast cancer

Contact Jaime Strohacker, Program Coordinator, to schedule a presentation for your group. You can reach her by phone at 800-345-8223 or by e-mail at jaime@vbcf.org
