Five Star Home Health Care provides Alzheimer's care in the home. Home can be a personal home, a hospital, facility such as skilled nursing facility, assisted living facility or independent living facility. Caregivers are uniquely trained in care techniques for individuals with Alzheimer's disease and dementia.

Assistance with activities of daily living can include assistance with walking, grooming, hygiene, dressing, bathing, toileting and incontinent care, feeding.

Other services offered are grocery shopping, transportation, errands, medication reminders, escorting to doctor's appointments or social events, letter writing, companionship, light housekeeping and laundry, assistance with pet care and stimulating conversation and activities.
