Sunrise of Fairfax offers short-term and respite care stays to give the primary caregiver a much-needed break, or when recovery is needed from hospitalization. Assisted living is the ideal solution for seniors who value their independence but need help with daily activities, such as bathing, dressing, and medication reminders. The focus is on individual wellness and encourages continued independence with a tailored plan of assistance provided by trained team members available 24 hours a day. Assisted Living is not only a home-like, resident-centered alternative to many nursing homes, but at Sunrise, it is a different option to consider when a senior does not require intensive 24-hour skilled nursing care.
