Southampton Rehabilitation and Healthcare Center (Southampton) offers skilled nursing care 24 hours a day. There are private rooms and semi-private rooms with features such as a patio, rehab gym, beauty/barber shop, and transportation services.

Southampton has a subacute wing that is dedicated to the post-hospitalization care of individuals who are recovering from joint replacement, cardiac, pulmonary, neurological, and other acute medical conditions.

A memory care unit is onsite that offers a secure environment for seniors with Alzheimer's or other forms of dementia.

Other services available are rehabilitation, respite, and long term care.
