RoseWood Village at Hollymead Town Center provides a residential and assisted living care facility with a personalized care approach to meet the specific needs of senior residents who require assistance with activities of daily living (ADLs), such as bathing, dressing, medication reminders, or more. Provides socialization events, recreational programs, fitness and wellness programs, and more. Offers multiple levels of care and supportive services in a village-type setting. Capacity is 96 residents for assisted living and memory care residents.

Short-term respite care is also available if space is available. This care is designed to be temporary so that caregivers can have some "time off" from caring for their loved ones.
