Interim Healthcare of Virginia Beach offers non-medical or personal care services to help individuals remain safe, independent, and engaged in leading enriched lives. Services include assistance with activities of daily living, such as assistance with feeding, bathing, dressing, hygiene, toileting, etc. Other services can include medication reminders, help with laundry, meal preparation, and more.

Caregivers are specially trained to support the unique needs of seniors, providing social nurturing and companionship while helping them overcome the challenges of daily life.

Other services available are would care, respite care, and palliative and hospice care.
