Twin County Regional Home Health provides home health aides to assist individuals in their home with personal care under the direction of a registered nurse. Services include:

- Assistance with bathing and maintaining personal hygiene
- Preparation of a meal when indicated
- Assistance to patient with a home exercise program (as instructed by a therapist)
- Reporting changes in the patient's condition to the Home Health Nurse.

Services do not include companionship, heavy cleaning chores, general errands, or babysitting duties.

Telehealth is a personal, in home, daily information link between a home health patient and Twin County Regional Home Health.
