FirstLight Home Care of Shenandoah Valley offers personal care services in your home. Non-medical in-home care for adults of all ages is available wherever and whenever it is needed. Caregivers at FirstLight are compassionate, caring, sincere, experienced, and attentive.

Whether for seniors that need some assistance in order to stay in their homes, families with members who have special needs or disabilities, those recovering from an illness or surgery, or even people who just need someone to talk to and visit with, FirstLight caregivers can provide services for several hours a week up to full time, live in situations. Dementia care services are available.

Personal care can include assistance with activities of daily living, such as bathing, dressing, toileting, hygiene, feeding, grooming, etc. Companion services are also available, including medication reminders, meal planning and preparation, laundry services, recreational activities, routine or incidental transportation, errand service, and more.

Please contact the office for more information.
