C-Trans Medical Services provides emergency and non-emergency transportation. Medical transportation services include basic life support, advanced life support, critical care, and wheelchair transport. Transportation can be provided for emergency care, non-emergency, to doctor's office, for dialysis, hospital transfers (in and out of the region), and more. They service all of southwestern Virginia.

The Abingdon Ambulance Service Disaster Assistance Response Team (DART) is ready to respond to any man-made or natural disaster within the United States.

Following the Clifton Companies vision of "Neighbors Serving Neighbors", the team works in the communities in which they live.
