English

The Hilarity for Charity (HFC) Caregiver Respite Program relieves caregivers, giving them time to rest, recharge and focus on their personal and professional life.

Delivered with our preferred partner, HFC's Care Grants provide three months of

free, professional, in-home or Adult Day Program care.

Two kinds of respite grants are available:

- In-Home Respite Grant for 100 hours of respite care to be used within three months of the grant being awarded
- Adult Day Center Respite Grant for 24 days of respite care to be used within three months of the grant being awarded.

[Eligibility information](#) is available on the website.
