Brunswick County Health Department participates in the [Every Woman's Life](#) program, a public health program sponsored by the Virginia Department of Health that helps uninsured, low-income women gain access to free cervical cancer screening services. Clinical pelvic exams, Pap tests, and diagnostic tests are performed for enrolled women. Screening and early detection reduce death rates and improve treatment options.

Call Every Woman's Life toll-free referral line at 866-EWL-4YOU (866-395-4968) to find your nearest screening location.
