The Halifax County Health Department, part of the Southside Health District, participates in the Every Woman's Life program, a public health program sponsored by the Virginia Department of Health that helps uninsured, low income women gain access to free cervical cancer screening services.  Clinical Pap tests, pelvic exam and diagnostic tests are performed for enrolled women.  Screening and early detection reduce death rates and improve treatment options.

Call Every Woman's Life toll-free referral line at 866-EWL-4YOU (866-395-4968) to find your nearest screening location.
