Grace-Full Knockers 4 U is a knit or crochet ministry of Rehoboth United Methodist Church. Volunteer knitters make knockers, special handmade breast prosthetics for women who have undergone mastectomies or other procedures to the breast.

Knitted knockers are soft, light and can be worn in a regular bra. The knockers are free.

If you would like to help make knockers or know someone that can contribute to the supply of yarn, please contact us by email or phone.
