At Landow House, a facility of Charles E Smith Life Communities, memory care is available to adults who have cognitive impairments due to Alzheimer's or dementia and who cannot recognize danger or protect their safety and welfare.

Landow House offers certified geriatric nursing assistants, and registered/licensed nurses, 24 hours a day. Activity and dementia care, housekeeping, and certified medicine aides are on-site to help. This program also includes primary and specialty physician care on campus as well as physical, occupational, and speech therapy in a state-of-the-art rehab suite. Primary geriatric care is offered at the Hirsch Health Center and additional personal care services are available through their Home Care Solutions department.

The capacity for assisted living and memory care is 98 residents.
