Fee Structure Fee Range Payment Method(s) Private Pay Languages Spoken English Bickford of Suffolk offers memory care for residents suffering from Alzheimer's or cognitive impairments. Memory Care offers a home-like atmosphere with an RN to provide care coordination, and certified caregivers to help with bathing, dressing, toileting, mobility; medication management, and dementia programming. Care coordination can include finding quality physical therapists or following up with a primary care physician, organizing pill reminders, preparing special diets, renting medical equipment, schedule home health, and more.
