- Physical, occupational, and speech therapy,
- Therapeutic recreation,
- Cutting-edge patient care technology and rehabilitation equipment,
- Chapel and dining room,
- Designated visitor areas.

Orthopedic rehabilitation is a medical specialty that focuses on the correction of functional impairments of the musculoskeletal system including all of the body's bones, muscles, cartilage, tendons, ligaments, and joints.

Sheltering Arms Institute helps individuals resume functional independence and active lifestyles within the shortest reasonable time. Physical rehabilitation and self-management training help people achieve their rehabilitation goals.
