Mountainview Oral Surgery offers oral surgery care. Procedures available are:

- Dental Implants
- Bone Grafting
- Wisdom Teeth
- Facial Trauma

- Jaw Surgery
- Nerve Repositioning
- Pre-prosthetic Surgery
- Socket Preservation
- Distraction Osteogenesis
- Oral Pathology
- TMJ Disorders
- Platelet Rich Plasma
- Stem Cells

Staff will work closely with your family dentist or physician when cooperative treatment plans are required to help coordinate care.

If your child is between the ages of 17 and 25, this is the ideal window of opportunity for optimal wisdom teeth removal because their roots have not yet fully developed.

Service Area(s)

Campbell County

,

Lynchburg City
