The Alzheimer's Association Central and Western Virginia Chapter has programs and support services to connect you with peers and professionals to help you make the plans and adjustments necessary to live your best life for as long as possible. They provide education and support to all those facing Alzheimer's and other dementias throughout the community, to include individuals with the disease, caregivers,

health care professionals, and families. The chapter is committed to advocating for the needs and rights of those facing Alzheimer's and advancing critical research towards methods of treatment, prevention, and a cure.
