MidPenRideShare is a resource for finding greener options like carpool, vanpool, transit, bike or telecommute. This program is a free commuter matching service for anyone who lives or works in the Middle Peninsula area and offers real-time ride-matching with commuters near you who share similar hours and work locations.

The Guaranteed Ride Home Program (GRH) insures that those who carpool or vanpool to work always have a way home. Personal or family emergencies, unexpected requirements to work late, carpool or vanpool vehicle breakdowns are all covered by this service.

No vehicles are operated by MidPenRideShare.
