Look Good Feel Better (LGFB) offers five types of Look Good Feel Better Live virtual workshops. Learn about skin care and makeup, wigs and head coverings, nail care, or body image and styling.

LGFB holds group workshops that teach beauty techniques to female cancer patients to help them combat the appearance-related side effects of cancer treatment. Look Good Feel Better also offers programs for teens in select areas, Spanish language and Spanish/English programs, virtual programs, and a website for men undergoing cancer treatment.

Group workshops are step-by-step makeover learning sessions led by cosmetology professionals using products donated by the cosmetic industry. Each two-hour,

hands-on workshop includes a 12-step skin care and makeup lesson, nail care techniques, and professional advice on how to deal with hair loss using wigs, scarves, hats, hairpieces, and other accessories.
