Event Description

Identifying Birds Mondays, Sept. 20–Oct. 11, 1:30–2:30 pm If you like watching birds but have no idea what you're seeing, this is for you! Learn to identify local birds as well as not so local ones by field marks (distinctive stripes, spots, patterns, colors, and highlights). Dick Somer is an avid bird watcher and has led numerous birding trips. Come to one or come to all! Free and open to all. 4 Week series. Please register for one or more sessions.
