Event Description

Medicare Open Enrollment - Online Make your appointment now! Provided by JABA's Insurance Counseling Department Medicare Open Enrollment is October 15-December 7, but you need to make your counseling appointment now! This is the opportunity Medicare beneficiaries have to make adjustments with their Part D or Medicare Advantage plans. Every year, these plans make changes that could affect you. Many people don't realize it until after the first of the year, and then it is too late, and they are stuck with a plan that doesn't work for them. The extensively trained volunteers at JABA's Insurance Counseling department are part of the Federal SHIP program. You can pick up an intake form at The Center or by Registering below. Call JABA's Insurance Counseling at 434.817.5248 with questions or to schedule an appointment. Free and open to all.
