Event Description

Climbing the Ancestry Tree. Tuesdays, January 10–31, 1:00–2:30 pm Family historian Dick Somer uses local court records, land deeds, wills, naming patterns, and more to help students find their personal ancestry. Continue your ancestral investigations by learning how to navigate internet sources and how to tap into local history. Bring your own laptop or follow along with Dick. Open to all. Free for all members; Guests \$15. Register. Seats available: 6
