[LLI/NOVA February Forum - 4 Paws for Ability](#)

Event Region

Northern Virginia

Event Type

Forum

RSVP Info

Must register online by January 30th at noon.

Event Cost

\$0.00

Event Description

Lifetime Learning Institute Northern Virginia (LLI/NOVA)'s February Forum is 4 Paws for Ability. KaLynn Clark, the Development Director at 4 Paws for Ability, will talk about this inspiring organization that trains service dogs. 4 Paws was founded to help people with disabilities access the life-changing love, assistance, and support offered by a service dog. More than 1,500 service-dog teams have graduated from 4 Paws. In this Zoom forum, participants will learn about the organization's mission, the types of service dogs trained, the training involved to be a service dog, and what service dogs actually do. All are welcome but must register by January 30th at noon.
