Event Description

What to Do With Our Stuff? Tasks and Timelines to Prepare for an Estate Sale or Auction will be held on Thursday, May 16, 2024 at 12 noon.

This webinar offers tips, tricks, and shortcuts to be ready to sell your unwanted valuables. Whether you or your loved ones are downsizing, organizing an estate sale, or considering auctioning valuable items, this live and interactive discussion will provide invaluable insights and actionable strategies.

Daniel Sanders, CEO of Four Sales, brings years of experience in estate planning and management, guiding individuals and families through handling their belongings with care and efficiency. In this session, he will share practical advice on preparing for an estate sale or auction, outlining key tasks and timelines to ensure a smooth and successful process.
